

Authorize.net Setup

Auction Source's online reservation system integrates with Authorize.net's secure payment processing service to give you a safe and easy way to collect payments from your guests.

Instructions:

- Open your internet browser and go to <http://www.authorize.net/signupnow>
- Fill out this application online
- If you are having trouble with the application, call 866-437-0476 to speak with an Authorize.net representative.
- Work with Authorize.net to complete your application

After Signup, provide Auction Source with the following:

- API Username
- Transaction Key

Once you have supplied Auction Source with your API Username and Transaction Key, we can integrate your custom online reservations system with your Authorize.net account.
